

# ***Central Springfield Little League Baseball***

## **Concession Stand Volunteer**

### **Information Sheet**

The Central Springfield Little League (CSLL) baseball concession stand is the social heart of CSLL. We provide the players, umpires, parents, coaches, managers and visitors with refreshments and a place to socialize. The only way we can provide this service is through your continued support through purchases and through your time spent as volunteers working in the stand. Each team (parents) will be scheduled to work as a team in the concession stand 3 shifts. In order for a shift to run smoothly, we have requested that each shift be supported by 6 (six) volunteers from each team. Below are some particulars regarding the shift:

- Trained Manager present at all times
- Shift last approximately 3 hours
- Either prepare food or take orders
- Work with Team parents
- Warmer in early Spring
- Cooler in late Summer
- Able to see your friends at the Park

Also available to the volunteers is a pool of teens (13 years old/older) to work for you. This teen will be on an approved list, trained and scheduled by the Concession Stand staff. The cost to hire a teen to work for you will be \$25.00. This is to ensure that the concession stand has 6 (six) people inside the stand to take orders and prepare food. No more than 3 (three) teens can be hired per session.

Please remember you are the volunteers that make this stand run and have made it the best concession stand in the league. Please work with your team mom/team coordinator to ensure you volunteer to work in the concession stand and has a full staff for every session.

Thank you,  
Richard Klein  
CSLL Concession Stand Manager – Spring 2011
