“We Play the Game the Right Way”

Dear Coach,

Dominion Baseball Academy would like to inform you about a great opportunity for your baseball team this '08-'09 off-season. DBA is proud to offer a variety of affordable team camp possibilities. You might prefer to rent facility space for your team to work out over the winter, or maybe you are interested in having one or two of our professional instructors organize and conduct your team camp. We are flexible and committed to creating team camps catered to your team's needs.

Our DBA instructors are well qualified with a high level of expertise and experience on the diamond as players and coaches. All of our instructors have high school or college level coaching *and* playing experience.

Our new DBA Sportsplex opened in November, 2006, and it offers a variety of possibilities for baseball development. We have 5,000 sq. ft. of indoor turfed facility broken down into either six 40' netted tunnels or three 80' netted tunnels. We are also capable of opening up an 84' X 50' space for defensive work by pulling the hitting nets off to one side. We have an automatic self-feeding Iron Mike Pitching Machine, two pitching mounds, and any possible type of baseball equipment you might need.

I would also like to take this opportunity to invite you and your team to our 2nd Annual Dominion Baseball Academy Open House on Saturday, November 17, from 10 a.m. – 4 p.m. Free ballpark food, radar gun competitions, and wiffle ball games will highlight the festivities. I have attached our open house flyer which contains more specific information.

I have also attached our team camp rates, a sample 10 week DBA team camp curriculum, and our upcoming '07-'08 DBA winter camp schedule.

In addition to team camps, DBA offers professional lessons (hitting, pitching, catching, fielding), year around camps, facility rentals, create-a-camps, and private parties.

If you would like additional information regarding any of DBA's programs, please visit our website at www.dominionbaseball.org (currently under construction) or call our office at **703-339-6893**. We hope to see you this winter and best of luck in 2009.

Sincerely,

Jason Olms
Director of Player Development
